GRIMSBY TOWN 25 YEARS OLD

LAST REEVE OF GRIMSBY VILLAGE

THE LATE HENRY H. MARSH

PASSING OF JAMES AITCHISON SEVERE LOSS TO FRUIT BELT

Resident Of Grimsby For 46 Years He Had A Very Active Part In Putting The Fruit Industry On Its Feet—A Fine, Progressive, Public Spirited Citizen—Helped To Build Florida.

Away back in 1900 there came into Grimsby a young Scotsman by the name of James Aitchison who opened up a tailoring business in the building that is now the Rums apartments, next the Rums Theatre. From that little tailor shop developed out of the most prominent and successful fruit shippers in the history of the Niagara Peninsula. Not in the best of health for the past several years he still continued as Sales Manager of Niagara Packers Limited. Just a few days before Christmas he suffered another seizure and despite all the fine care of the medical profession

and the staff of West Lincoln Memorial Hospital he passed away on Christmas night.

From that little tailor shop he branched out into the flour and feed business and then later into the coal business. It was in 1912 that he decided that he would like to go into the fruit business. He purchased the old Canada Fruit Co. pulled it out of the rut and made a success of it.

At the time of the formation of Niagara Packers Limited, he was asked and given the position of Sales Manager, which position he held until the time of his death, that was 21 years ago. During the

BOTH COUNCILS ELECTED BY ACCLAMATION

Malcolm Nelles Is Reeve Of Township—A. C. Price New Deputy- Reeve Of The Town.

Citizens of Grimsby and North Grimsby will not have to worry about going to the polls next Monday to cast their votes as there will not be an election in either municipality as councils and other officials of both corporations were returned to office by acclamation when nominations closed on Tuesday night.

In the town Henry Bull is again Mayor with John Hewitt as Reeve. Councillor A. C. Price is the new Deputy- Reeve, the first that Grimsby has ever had and will attend County Council with Reeve Hewitt. Four old councillors are again in office, Messrs. A. B. Bourne, Archie Chivers, C. M. Bonham and Howard Inglehart. The two new members are ex- Councillor Archie Aitken and Robert Johnson of the Peninsula Lumber firm. Jas. I. Theis is Hydro Commissioner and P. E. Wilkins, Water Commissioner. All old members of the Board of Education were re-elected, Mrs. Ada Bromley, A. V. Catton, Wm. Hewson and T. L. Dymond.

Out in the township Malcolm S. Nelles with nine years council experience behind him is the new Reeve and along with Deputy- Reeve John B. Aitken will be the County representatives.

Entering his 55th year in municipal affairs Wm. Mitchell is again in council along with Sam Bartlett and Lewis McNiven.

In S. S. No. 1 Dr. Aubrey B. Crick is the new school trustee.

In School Area No. 1, all old trustees were returned to office.

At the township nomination meeting the following resolution was unanimously passed by the large gathering of ratepayers:

Moved by Sam G. Bartlett, seconded by John E. Lawson—That this nomination meeting of the Township of North Grimsby, held December 30th, 1946, go on record in expressing its appreciation of the services of Charles W. Durham as Reeve of the Township for the past nine years and take this opportunity to wish him better health and a full measure of happiness for many years to come.

GRIMSBY—The Biggest Little Town In The World—had a birthday yesterday—New Year's Day. Just 25 long years ago, one-quarter of a century, Grimsby became a full fledged TOWN. The third to be created in Lincoln County, and the best.

During the Spring of 1921 application was made by the Grimsby Village Council to have the Village incorporated into a Town. This application was granted by the Municipal Board of Ontario; that body of men realizing, like the applicants, that Grimsby, situated in the heart of the Peach Belt, was bound to grow, so why retard its progress.

At the Old Boys' and Girls' Reunion, held on the 27th, 28th and 29th of August, 1921, the Proclamation declaring Grimsby a Town, issued by the Ontario Government, was presented to the late Henry H. Marsh, the Reeve, the man who had made the formal application that the Village be constructed into a Town.

That presentation was made on the old Grimsby Race Track—Fairview Avenue—with a fanfare of trumpets and bands, by Miss Grimsby (Miss Freda Randall, now Mrs. Cliff Milne of Vinemount). She rode through the great concourse of people in an old fashioned carriage drawn by a team of spanking white horses driven by the late Reginald Ferria. It was a great moment in the history of what was originally the Old Forty. For three days the people of this great district and all their friends throughout the country celebrated the erection of Grimsby to the status of a Town.

On the First Day of January, 1922, Grimsby became a town—25 years ago—At the January elections Charles Towler Farrell, a native Grimsbian, a previous Councillor and Reeve, was elected as the First Mayor of Grimsby. Unfortunately, Reeve Henry H. Marsh, the last Village Reeve, was in very poor health and underwent a severe major operation in Hamilton hospital, passing to his last reward on January 22, 1922.

During the past quarter of a century Grimsby has passed through a lot of trials and tribulations—a fat feast of prosperity in 1924-29, a terrible depression, a second World War—but still she has come out on top, thanks to the able men who have guided her destinies, and she will continue to grow and prosper and be "The Biggest Little Town In The World."

WEST LINCOLN HOSPITAL IS ENTIRELY CLEARED OF DEBTS

WELCOME TO GRIMSBY

Dr. and Mrs. Gregor Smith, formerly of Brantford, are completing the building of a home on Gibson Ave. and will make Grimsby their future home.

Dr. Smith has been practicing dentistry in Brantford for some time but lately has been in Dental Public Health work under the Ontario Dental Association working along the lines of preventive dentistry.

While a great deal has been done in the control of other diseases it is known that dental caries (decay of the teeth) is becoming more rampant and is the most widespread of all diseases.

With this in mind a central committee in Toronto has been formed and working under it are local committees in different centres throughout the province.

For four years Dr. Smith was in charge of the dental service in military district No. 12 with the rank of Lieut. Colonel and there he saw in the different clinics a great many young men and women in the teen ages or early twenties who were wearing full dentures or who required extensive extractions.

This not only was the cause of a great deal of pain and discomfort but was a handicap in military and civil life.

In Brantford they are now putting sodium fluoride in the municipal water supply in an effort to combat tooth decay but some high authorities maintain that a local application, two or three times a year is more efficient and is giving splendid results.

This with frequent examination by the dentist and education along the lines of oral hygiene, refined the lessening of the use of soft sweets and carbohydrates will bring about a big improvement in the condition we have to-day.

GRIMSBY WEATHER

Week ending at 8 a.m., Monday, December 30, 1946.
Highest temperature 40.5
Lowest temperature 11.3
Mean temperature 25.9
Precipitation 0.60 inches

FIRST MAYOR OF GRIMSBY TOWN

CHARLES TOWLER FARRELL

BROWN ROT CONTROLLABLE SO SAY PEACH GROWER OFFICIALS

Andrew (Scotty) Stevenson who for many years was employed with D. E. Anderson at the corner of Main and Depot Streets, has bought the business of Clarence W. Graham at the corner of Depot and John Streets.

Until recently Scotty has been in the Army, where he served for well over six years. On his return to civilian life he has had many offers to take up positions out of town, but after seeing nearly all the other towns one would want to settle in throughout Canada, Grimsby looked best to him.

Being connected with the Grocery business from his youth Scotty has had the training and has the ability to give good service in his new venture.

Andy takes over the business on Monday the 6th January, 1947, his New Year resolution is to give his many friends and customers good service from a complete line of foodstuffs.

OVERFACED FRUIT

At Toronto in December the Beaver Valley Co-operative Fruit Growers, Limited, Thornbury, Ontario, were found guilty of overfacing baskets of apples, and fined \$10. This case was handled by Inspectors of the Dominion Department of Agriculture, acting on behalf of the Ontario Department under provisions of the Farm Products Grades and Sales Act.

COUNTY HEALTH IS VERY GOOD

During Past Year County Was Very Free From Communicable Disease—Only One Case Of Polio—357 Cases Of Measles—Immunization Played An Important Part In The Control.

(By DR. J. M. MATHER, M.O.M., West Lincoln Health Unit)

During 1946 a total of 509 cases of communicable disease were reported to the western area of the St. Catharines-Lincoln Health Unit. This western area is made up of the townships of Calverton, Clinton, Gainsboro, North and South Grimsby and the towns and villages in those townships.

The following is a tabulation of the number of cases of each disease reported:

Chickenpox—48.
Diphtheria—1.
German Measles—4.
Measles—357.
Mumps—54.
Paratyphoid Fever—1.
Poliomyelitis—1.
Scarlet Fever—34.
Whooping Cough—19.

Probably many more cases of the milder communicable diseases such as chickenpox and German measles occurred than were reported since in many instances a physician would not be called. This table does not include the minor communicable skin diseases such as impetigo and scabies. Numerous cases of these were seen in schools.

Measles were at a peak in the early part of the year. It was a particularly severe type but no deaths occurred in this area.

Scarlet fever never reached an epidemic number of cases but occurred early in the year and a few (Continued on page 8)

Charles W. Durham, Reeve of North Grimsby Township for the last nine years, announced the middle of last week that he would retire from municipal politics at the end of the year and would not seek re-election. Mr. Durham, who has been in poor health recently, was elected Reeve in 1937 and was returned to office by acclamation every year since, being warden of Lincoln County in 1943. Prior to being elected head of the township council, he served as a member for five years, prior to which he was on Grimsby Council for four years.

HOWARD CULP PASSES

Just as we go to press we learn of the death in Hamilton hospital last night of Howard "Coogie" Culp. He had only been ill for a few days and his death came as a sudden shock to his large number of friends and the citizens generally.

FACTS & FANCIES

Frank Fairborn, Jr.

A GOOD MAN CALLED HOME

What could be more appropriate in the dying moments of Christmas Night than the passing of James Aitchison.

On a Christmas Morn A Child Was Born. On Christmas Night, That Child, took back to Himself, His Own.

In 46 years of constant contact I have always felt that "Jim" Aitchison was my friend. When he first came to Grimsby in 1900, I was a boy of 12. But he always liked kids and I was one of a flock of local youngsters. I do not believe that any of "Jim's" kids ever went bad on him.

He was a very young man then. Naturally he grew up, so did I. Our lines of endeavour in life became diversified, but our paths always seemed to cross, and in the end we were both in business in Grimsby when he was called Home. This may seem a little bit personal, but I cannot help it, he was one of the best friends that a kid or a man ever had.

"Jim" Aitchison through his own initiative and integrity became one of the smartest men in the fruit industry. He studied the industry not only from the growers' standpoint, but the dealers, and the consumers, and made a success of the fruit shipping business as a result.

He was always a progressive man with common sense ideas and could not be scared or dragged into any schemes, particularly where the public was concerned. As a businessman, and as a public spirited citizen he served the joint municipalities well. His Monument stands at the corner of Depot and Adelaide Streets—Grimsby Public Library.

FIRST OF FIRSTS

Great moments in life sometimes accost us on the sidewalk or in the streetcar. For example, a happy young face looked up at a passing stranger the other day, and jubilantly announced: "I dressed myself for the first time today." Then the honest little heart remembered and added, "But my father helped me on with my shoes."

So opens a new career of independence, perhaps of a distinguished judge, a leader of industry, or a celebrated statesman. Sometimes it seems too bad we can't know all the big things that are happening around us.

If history only gave previews of itself, then the press of today could carry such news as this: "Johnnie Smith, who will be President of the United States 50 years hence, for the first time put on his own clothes complete today."

A HAND FOR THE MITTEN

The Times of London recently drew attention to the fact that: "Mankind, as a whole, ignorantly derides mittens, as suitable only for old ladies." It is, indeed, the case that, in general, male dignity has always demanded freedom and independence for the fingers—no knight ever flung down his mitten as a rage of battle, and no iron hand ever functioned in aught but a velvet glove.

But why should the mitten not be taken seriously? It may be that memories of the nursery cling to it—but against these may be set its record in the ring and in the arctic. It is certainly warmer than the glove, and there is at least some force in the argument that it is better to feel one's fingers all thumbs than not to feel them at all.

THE FIREPLACE

In the building of most modern homes, the once familiar fireplace is no more. It is out. It finds no place in modern heating plans; it is too much trouble to keep clean.

And so it goes. But it is a pity, because through its history it has proved much more than just a centre of warmth. It has in fact contributed more than its share to the up-building of Canada. In pioneer days it not only provided warmth and light, but it filled the place of a kitchen range.

Wherever our pioneers built their first log cabins, the most important fixture was the fireplace. Many a pioneer, after a crushing day's work, would seat himself before its cheery blaze, and in a short time he would feel encouragement and his heavy problems would seem to melt away, and he would have fresh courage for his work of tomorrow.

But it was not only the pioneer that found solace in a fireplace. Many a harassed business and professional man has gained his poise and renewed his hope by contemplating a blazing fireplace, or one of glowing coals. May it long live and last.

COMMUNIST CREDO

(Financial Post)

This is the Communist recruit's introduction to Communism. It is the text of the "revolutionary greeting" extended to all new members of the Communist Party of Canada up to the time the names was changed to Labor Progressive Party.

"Today," it begins, "you have become a full-fledged member of the Communist Party of Canada and of the Communist International. We welcome you into our ranks as a new recruit to the international army of millions who, under the banner of Leninism, are fighting for the emancipation of mankind from the yoke of capitalism. We greet you in the name of the thousands of fighting Communists in Canada."

"We greet you in the name of those proletarian fighters whom capital justice has thrown in jail and prisons."

"We greet you in the name of those proletarian fighters whom the murderously brutal capitalist police have tortured on the picket line and in workers' demonstrations. We greet you as one who steps into the ranks of revolutionism to finish with us what they died for—the proletarian revolution!"

"We greet you in the name of the Russian Bolsheviks whose examples you are pledged to follow. From now on the decisions of the party and the decisions of the Communist International are your highest command."

"You must fulfill your Communist duties on every post the Communist party assigns to you. If you want to do your duty as a Communist, then you must disregard all taunts and sarcasms; all insults to which all of us are subjected."

"Your coming into our party is a guarantee that you are fully prepared to carry the consequences of membership—to carry on revolutionary activities under the direction of the party and to submit to revolutionary discipline."

"If you have decided to march with the Communist Party to the very end, to victory . . . then comrade be welcome. You may then, from today on, call yourself proud fighting comrade of Lenin and bear the honored name of Communist, of Bolshevik."

A POPULAR NOTE

Sometimes members of the banking hierarchy, in their addresses which reach the public, speak in terms over the heads of the average citizen, on foreign trade balances, exchange and other complex and intricate subjects.

This certainly was not the case at the annual meeting of the shareholders of the Bank of Commerce, when President A. E. Arscott made his address, in which he very well sounded a popular note, and that against excess taxation.

He pleaded for reform in the tax structure as well as some alleviation in its burden. He advocated more take-home pay, to be precise. The most important factor today was not the gross income the great body of workers secure, white-collar and all others, before tax deductions were made, but the net, that which could be spent by the workers themselves.

"Taxation and spending, in the main, are inseparable," said Mr. Arscott. "It is well understood that taxes are necessary and that no single ideal expenditure-revenue pattern can be outlined. The effect, however, of continued heavy taxation on peacetime activity in all spheres suggests fresh study towards revision of the whole tax structure. Also consideration may well be given to the advisability of turnover or selective sales taxes to a greater extent to allow of a modification of direct income taxes which are having a hampering effect on business and production in general."

Just multiply a million, it is more for that matter by a five dollar tax reduction for the individual Canadian, and there is that much more spending power for all sorts of things, double if it is ten dollars per individual. The government cannot spend the money in diverse ways to maintain and spread prosperity as can a great body of Canadians all across the country.

TECHNOLOGY IN THE KITCHEN

Not since the invention of the first crude can opener by that London genius, Gamble, in the eleventh year of the last century has so startling an innovation been seen in the kitchen. We refer to the fact that a "jet-propelled" dish washer has appeared on the market.

Application of this spectacular engineering principle to the peacetime needs of domestic science promises to emancipate millions

of hapless husbands from the lifelong drudgery of "helping with the dishes." And it should do away with such dubious labor-saving devices as turning up the radio or shaking the furnace when the first ominous after-supper sounds of dish-stacking assail the sensitive male ear.

The notion of an automatic dish washer is not new. But most of the early models were patterned too much along the lines of a portable rock-crusher to gain general household confidence. Presumably the new jet method will supplant the centuries-old way of propelling the plates by hand.

SHOCKING THE PEOPLE

In the old days many people were easily shocked. If a girl showed a considerable portion of her stockings above her shoes, she was viewed by many with disfavour. The sight of woman wearing trousers was then thought improper.

Such things no longer shock the world. Public sentiment approves of modern abbreviated bathing costumes that allow freedom of motion. The custom among women of wearing trousers for certain purposes has become general, and countless women find them comfortable, convenient and appropriate. Women seem likely in future to wear them still more than they do now.

The world has acquired a better judgment as to what things are really shocking. Modern life gives more freedom in regard to clothes and conduct. Yet it is unfortunate if crime becomes so common that people are no longer shocked, and if they take such things as a matter of course. When people are shocked by a real wrong, there is some chance that these evils will be corrected.

'WAY BACK WHEN

Frank Fairborn, Jr.

THE GOOD OLD DAYS, INDEED

(Neal O'Hara in Philadelphia Record)

New York's famed Delmonico restaurant in 1834 (then far downtown on Pearl Street) had a "bill of fare" which listed "Regular Dinner, 12 Cents" and served the la carte items as follows: "Cup of tea or coffee, 1c; soup, 2c; hash, 3c; corned beef, 4c; beefsteak, 4c; pork chops, 4c; liver and cabbage, 5c; roast mutton, 5c; fried eggs, 5c"; and then the bill of fare really got expensive, to wit: "Ham and eggs, 10c; hamburger steak, 10c; roast chicken, 10c."

(Beaumont Express)

Among the best tellers of tales of other days, well-kept scrapbooks stand almost alone, and when they are gathered with care and thoughtfulness they conjure up pictures of former days that are as complete as though painted in oils.

To our desk came the other day, a scrap-book that was put together by a lady who appreciates the old things. Most of it originated, she told us, from a shoe-box collection belonging to Howard Daws and uncovered by him some years ago.

A volume would be needed to describe and interpret everything that is found between its covers, and interest would grow with every additional bit of research spent on the book, but even a cursory glance through the pages reveals sidelights on former times in this district that will interest many.

Jacob Book Sr. was the son of Matthias Book and Elizabeth Testel Book, United Empire Loyalists who trekked from New Jersey to the Grimsby district somewhere around the year 1800 A.D. He married Catherine Fairfield and they had three sons, Jacob Jr., Josephus, and Matthias Edgar (better known as Jim.)

Jacob Book Sr. was a successful farmer, his farm being located on No. 8 highway, east of the Grimsby Beach road. In later years this farm has been occupied by a man, well and favourably known throughout the district, the late Jay Book, a grandson of Jacob Book Sr. Jacob Book Sr. died May 31, 1880 and was buried in St. Andrew's Cemetery, Grimsby. Many descendants are living in Grimsby and vicinity. Howard and Gordon Daws of Beaumont are great grandsons.

The first date recorded is April 26, 1815. It is a bill for goods bought by Matthias Book (father of Jacob Book Sr.) from Francis Crooks, Grimsby. The latest date recorded is January 15, 1880, a bill for goods purchased by Jacob Book Sr. from Francis Crooks, Grimsby.

Page one takes us back to May 30, 1850, when Jacob Book, Esq., Grimsby, renewed his subscription to "The Post," "an independent semi-weekly paper published every Tuesday and Friday" on St. Paul street, St. Catharines. Apparently it had been published for five years at that time. Anyway, from a printer's point of view, something was wrong with his type, for the bill reads "To the Proprietor of the Post." That he had the right letters in his case is shown by the "o" in "of." Why didn't he put some more in where they should have been?

A few years later, Jacob Book had a suit made. The account, rendered by Alex. Allan, General Merchant, of Beaumont, shows what prices were like in 1875:

8 1/2 yds. Tweed	\$10.62
Trimming	4.00
Making	7.00

On page three of the scrapbook, Mr. W. Campbell, Head Master of Grimsby Grammar School, gave Mr. Book his receipt for \$1.50, in payment for one quarter tuition fee, etc., at the Grimsby Grammar School, from the 7th January to 23rd March, 1880. What did the "etc" mean? Surely there must have been "extra" for that price!

Mr. Book read the papers and kept up-to-date, as evidenced by his numerous dealings with map-makers (Geo. R. and G. M. Tremaine, Toronto), T. R. White, publishers of the Hamilton "Spectator" in 1869, and Messrs. Lawson, McCulloch and Co., publishers in 1872, renewals for two years to the "Post" and subscriptions to the "Daily Review," of published by Mr. C. Cliffe, St. Catharines, (1887).

Several tax notices and receipts for the Town-ship of Grimsby testify to the ease of the tax burden in those days. For example, Lot 1, Concession 4, in 1870, paid taxes amounting to \$6.83, made up at the following rates: County rate, \$ 3-5 mills, township rate, 1 mill, high school rate, 1-3 mill, public school tax, \$3.00. Incidentally, F. R. Nelms collected the

Some gents have the wrong idea. They think the way to put up the best argument is to be able to yell the loudest.

They have introduced radios to fit a woman's purse. Now the men need a pump that will fit the price of a radio.

— Everybody Welcome —

Mr. and Mrs. George Curtis attended the funeral of the former's grandmother who passed away in Tillsonburg, December 24th, in her 93rd year.

Prof. and Mrs. A. W. Mason of One Nelson Blvd., spent the Christmas holidays in Toronto with Mrs. J. D. Stuart, High Park Blvd.

Mrs. W. F. Robinson spent Christmas with Mr. and Mrs. Morley F. Robinson, Mount Hamilton.

Mr. G. Murray Beamer and family wish to thank all their neighbors, friends and acquaintances for their kind expressions of thought and their help during the past year. While Mrs. G. M. Beamer is still confined to a nursing home, the friendly help has been greatly appreciated.

Mr. Charles Ramsey of Montreal, spent Christmas with his parents, Col. and Mrs. K. A. Ramsey, Main St. West.

Miss Katharine McNiven of Rochester, N.Y., spent a few days at her home here during the Christmas season.

Mr. Henry Loud spent Christmas with his mother, Mrs. Caleb Loud, Main Street East, leaving shortly afterward for Lima, Peru; stopping en route at Aruba, N.W. I. and Maracibo, Venezuela in connection with International Petroleum Co.

Orval and Mrs. Eickmeier left on Boxing Day for a motoring trip through the Southern States, destination St. Petersburg, Fla.

J. A. and Mrs. Graham left on Thursday last for a motoring trip to Old Mexico. Like the Orval Eickmeiers they are travelling with a Luxury Lister trailer.

Dick and Buddy Shafer spent the New Year's holidays in New York.

A. F. and Mrs. Hawke spent Christmas day with their daughters in Toronto.

Dick and Buddy Shafer entertained a large number of their friends at a delightful Cocktail Party on Christmas Eve.

In renewing his subscription to The Independent, Frank and Mrs. Lambert of Davenport, Ia., send their best wishes to all their friends in Grimsby.

R. G. Garry Kemp who is attending McGill University is spending his Christmas holidays with his parents, Col. and Mrs. Kemp, Main St. East.

Mr. and Mrs. Charles E. Kemp of Hamilton, were the guests of Col. and Mrs. Kemp for Christmas Day.

Births

At West Lincoln Memorial Hospital, Friday, December 27th, 1946, to Mr. and Mrs. Robert Mason (nee Joan Chamberlain, Brighton, England), a son, Lee Robert, a brother for Yvonne.

Legion Auxiliary

The Ladies' Auxiliary of West Lincoln Memorial Hospital are arranging their annual mixed bridge tournament, 5 or 7 rubbers as desired, match play with consolation round for those eliminated in the first.

Will all interested please phone Miss Anne Crash, 527 or Mrs. K. A. Ramsey, 124, who will be very glad to add their names to the list before the draw.

A fault-finder is the man who usually works overtime at St.

Eastern Star

An enjoyable evening was spent on December 17th when Grimsby Chapter O.E.S. held their annual Christmas party for the members and their families.

At seven o'clock a pot-luck supper was served, twenty-five sitting down to the tables abundantly laden with good things, after which the children were handed well filled stockings from the Christmas tree.

While the children engaged in games, each member was given a gift from the tree from his or her unknown friend of the year, whose identity was disclosed at this time.

At the close of the evening, Mrs. D. Cloughley, W.M., wished for all a Merry Christmas and a Happy New Year.

LEGION PARTY

West Lincoln Branch Canadian Legion in conjunction with The Independent, entertained the children of its members at a Christmas party, held in the high school auditorium on Wednesday night, Dec. 18th, with over 200 attending. G. R. Chetwynd was master of ceremonies. Movies were shown. Stanley Hall, Hamilton; Mrs. Ethel Kilgore, and The Independent's bag-piper, Donald Sutherland, St. Catharines, contributed to the program.

Apples, oranges, nuts and candies were given each child by Santa Claus and lunch was served to the kiddies.

Miss Ann Crane, lunch convener was assisted by Mesdames George Marr, George Warner, Clifford MacCormack, L. E. Larson, H. G. Dowie, Eric Banks Fred Jewson, Earl Marsh, Jan Murdoch, Robert Walters and Douglas Scott.

Card of Thanks

We wish to thank our friends for their kindness and floral tributes in our recent and bereavement, in the loss of a dear mother. The Chester Family.

The members of the staff of Romy Theatre wish to thank Mr. Arthur Vickers and the Theatre Amusement Co. (Toronto) for the generous bonus received for Christmas.

I wish to thank my friends and neighbours for their acts of kindness, flowers and cards of sympathy. Also wish to thank the blood donors, and Mr. J. Cimba. Frank Ball for all their kindness to me during my father's illness and after his death. Sincere thanks to all.

Mrs. MOKE SWEET

I wish to take this opportunity of thanking all my customers for their kind remembrance at the Christmas season, and hope that you all have a Very Happy New Year.

Robert Little.

Liberty Magazine and Telegram Carrier boy.

I wish to take this means of extending my very sincere thanks to my friends and neighbors for their prompt and timely assistance on Saturday evening when fire broke out in my coal shed. Also to the fine and efficient work of the Grimsby and Beamsville fire departments and their prompt response to the call for help.

EDW. BRUBAKER

In Memoriam

HURST—In loving memory of our dear mother, Mrs. Harvey Hurst, who passed away January 4th, 1937.

Loved in life, and living yet. In the hearts of those who can't forget.

Beautiful memories are treasured over. Of the days when we were all together.

—Never forgotten by son Roy, daughter Goldie, Bill and family.

It seems that a tax mill and a divorce mill are never shut down by production difficulties.

DAY-NIGHT ROOMS

Marking a new era in Royal York, the Canadian Pacific's 1200-room hotel in Toronto, Ontario, the Royal York (inset) is the first in Canada to put in the new-style equip a luxurious chesterfield unit which can be turned down into the rooms have along one w. also houses a writing desk, which becomes a dressing table a three-quarter bed. The unit space for lounge cushions and bedding, a side table and radio. Pleasingly compact, the

Nuptials

COLLIN—HUNT

In St. James Anglican Church, Hamilton, on Saturday, December 14, with Rev. S. Kirk officiating, Mary Louise, daughter of Mr. and Mrs. Harry Hunt was united in marriage to Mr. William M. Collin, son of Mr. and Mrs. Thomas Collin, Winona.

The bride, given in marriage by her father, wore a gown of white satin and chiffon, her long embroidered veil caught from a hand-dress trimmed with seed pearls. In her bouquet of red roses was a floral horseshoe sent over from England by a friend of the groom. Mrs. William McCaslin, as matron of honour, wore a gown of pink sheer with matching headpiece of net, while as bridesmaid, Miss Janet Collin, wore a dress of blue sheer and matching net headpiece. Both attendants carried roses.

Mr. Edward Martel, Winona, was groomsmen, while ushers were Mr. Daniel Copeland, Thorold, and Mr. Alvin Moea, Smithville. Mr. J. Shoenmith played the wedding music and soloist was Miss Irene Bolton.

For travelling the bride wore a dress of brown and gold crepe, brown coat with red fur collar, and brown accessories.

MINISTER HONORED

Many messages of birthday wishes, gifts and flowers were sent last Thursday to the residence of Rev. A. C. Eddy, 932 Knig Street East, Hamilton, to mark his 75th birthday.

Now happily recovered from an illness of several months, this popular and busy minister was able to enjoy the day, which was crowned by a family dinner party in the evening. Arranged by his sons, Mr. Foster E. Eddy, North Shore Boulevard, Hamilton, and Mr. Carson Eddy, of Toronto, the dinner party was held at the Estaminet, Burlington, and came as a delightful surprise to both the guest of honour and his wife.

A handsome gold pen and pencil

was presented to Mr. Eddy, accompanied by the expression of appropriate filial sentiments. After the dinner, the evening was spent at the residence of Mr. and Mrs. Foster E. Eddy, where a huge birthday cake, alight with 75 candles was borne into the room and set before the guest of honour. Mr. Eddy's sister, Mrs. Wood, and her husband, Mr. E. M. Wood, were present from Toronto.

Rev. Mr. and Mrs. Eddy are well and popularly known in this district having been Grimsby Beach summer residents for some years as well as Mr. Eddy having served in Winona and Beamsville Pastorates.

Obituary

HARRY COATE

The death of Harry Coate, 332 Gage Avenue North, Hamilton, occurred Thursday, December 19th, at the Hamilton General Hospital. Born in England, deceased had been a resident of Hamilton for the last three years. His wife, the former Annie Robinson, predeceased him 11 years ago. Prior to coming to Hamilton, Mr. Coate had resided at Grimsby, and also at Hagersville where he had been a mail carrier, and a member of the Hagersville Police force. He was a member of Philipott Tabernacle.

Surviving are one son, Harry, of R.R. No. 1, Bartonville; five daughters, Mrs. Charles Campbell and Mrs. Vera Phillips of Hamilton, Mrs. Michael Sweet, and Mrs. Charles Wilkins of Grimsby, and Mrs. Ella Miles, of Frankfort; two brothers and four sisters in England, and another sister in the United States; also 16 grandchildren. Remains rested at the J. B. Marriott Funeral Home where services were held on Saturday with interment in Hagersville Cemetery.

The man who drinks like a fish is only making a sucker out of himself.

NEW PARCEL POST RATES TO UNITED KINGDOM

Of wide-spread interest to Canadian mailers is the announcement made by the Hon. Ernest Bertram, K.C., M.P., Postmaster General, that effective January 1 parcel post rates from Canada to the United Kingdom will be considerably reduced.

Following negotiations with the British Postmaster General reductions have been made which will effect savings to the Canadian public ranging progressively from two cents in the case of a two lb. parcel, 30 cents for a ten lb. parcel, up to 50 cents for parcels over ten lb. and up to 20 lb.

Under the new scale the rate will be 25 cents for the first lb. with an additional 15 cents charge for each lb. up to ten lb.; a \$2.00 charge for parcels over ten lb. and up to 15 lb.; and \$2.50 for parcels over 15 lb. and up to 20 lb.

The existing parcel rates are 24 cents for the first lb. with 18 cents per each lb. up to ten lb.; \$2.50 for parcels over ten lb. and up to 15 lb.; and \$3.00 for over 15 lb. and up to 20 lb.

The appreciable saving made by the new postage rates will greatly facilitate the sending of gift parcels by Canadians to friends and relatives in the United Kingdom.

We Thank You

After 33 years—1913-1946—very pleasant business relations we wish to announce that we have disposed of our business and to extend to all our friends throughout the district our very best thanks for the business that they have extended to us during that period of time. We appreciated it and we hope that the friendships that we have made will continue in private life as in the business mart.

To our successors, Weiss and Sons, we wish every success and bespeak for them a continuance of your patronage.

Famous Lady Boats Returning to Peacetime Service

When the Lady Rodney docked at Halifax recently with nearly 200 Canadian servicemen's wives and children from overseas, she brought to a close more than four-and-a-half years' war service. The Lady Rodney was immediately turned back to the Canadian National Steamships by the Department of National Defence.

Taken over by the government in June, 1942, the former C.N.S. peacetime luxury cruiser to the West Indies became a troop transport. Since that time she has travelled almost 170,000 miles between Canada, Newfoundland and Labrador and the United Kingdom and in several trips between England, Rotterdam and Antwerp carrying servicemen overseas and after V-Day in repatriation service. Much of it was logged when German submarines were desperately trying to choke off the flow of men and munitions going overseas. The Lady Rodney carried almost 67,000 persons in this service. Except for approximately 2,000 dependents, all were servicemen.

The Lady Rodney is the last vessel to be returned to the Canadian National Steamships. Two weeks earlier, the Lady Nelson, former flagship and only other survivor of the famous Lady boat fleet, was also turned back to the company. In March, 1942, while in the C.N.S. West Indies service, she was torpedoed and badly damaged in the port of Castries, St. Lucia. Returned to service as Canada's first hospital ship in April, 1943, just before the Canadian forces went into action in Sicily, she has since sailed 231,588 miles between Canadian, English and other European ports. She carried 23,580 passengers, who with the exception of about 1,000 dependents, were sick and wounded servicemen.

The Lady Rodney went directly into drydock for reconversion to carry passenger and freight traffic. When work on the two ships is completed in late February or early March, 1947, they will return to the West Indies run. Sailing from Halifax almost every three weeks, their ports of call will be

Boston, Bermuda, Leeward Islands, Windward Islands, Barbados, Trinidad and Demerara, returning via Saint John, N.B.
In the top photograph the Lady Rodney is shown steaming into the port of Halifax on the last mile of her long war service. On behalf of a large group of Dutch war

FRUIT PROCESSING PACK BIGGEST IN HISTORY

In a recent address on the outlook for 1947 to the Ontario Canned Foods Association convention at Niagara Falls, F. J. Perry, Chief Canning Inspector, Fruit and Vegetable Division, Dominion Department of Agriculture, said that the figures of the estimated total pack of canned fruits and vegetables clearly indicated that the 1946 pack of some of the commodities was a record and that if there were another bumper pack in 1947 it would bring about a return to normal supply.

In another year, said Mr. Perry, canners would be looking for exports. At the present time exports were on a quota basis and would remain for some time until there was assurance of a reasonably fair supply for the domestic market. Over and above the present quota for export, it was hoped that 70,000 cases of Choice Quality tomatoes and 500,000 cases of Fancy and Choice Quality tomato juice would be obtained for Great Britain. Probably the supply for juice would be met but there was likely to be a considerable falling down on the canned tomatoes, due to the poor quality of the pack, because much of it was graded Standard. Great Britain would also like to obtain a further supply of 50,000 cases of peaches and 50,000 cases of plums. There was no set-aside for these particular lots. If their requests could not be met, every effort should be made to ship at least a fair quantity of peaches, because, undoubtedly in years to come, exporters would be looking for export to relieve the domestic market of an over-supply.

Large quantities of citrus fruit were now being imported. The United States production in 1946 was double that of any pre-war year, and, although the Prices Board was endeavouring to hold down imported prices to domestic prices, large imports in the future might be expected unless Canadian

prices could be held within reason and better quality products made.

NEW OFFICERS FOR COUNTY PLOUGHMEN

Roger Comfort, manager of the Industrial Home, was elected president of the Lincoln County Ploughmen's Association at the annual meeting here yesterday. He succeeds Chester Lane, St. Anne, who has held office for two years and who has also won the grand championship at the county plowing match for two successive years.

Addressing the large number of directors and members, the retiring president stressed the importance of encouraging the younger ploughmen in the county to take part in the annual competitions. This was the only way to maintain a strong organization, Mr. Lane said.

Acting upon this thought, the association decided to ask each township council for a special grant of \$5 to be given to each of the junior ploughmen from that township who completes a piece of land to the satisfaction of the judges at the 1947 match. The ploughmen would have to be 18 years of age or under, and could use either horse-drawn or tractor-drawn plows.

It was also decided to present replica cups to the last five championship winners: Morris Siler, Caistor; Howard Fenn, Haldimand county; Alfred Dickie, Wentworth county; and Chester Lane, St. Anne, who has won the championship for the past two years.

Roger Comfort and Harry Earl were appointed to represent the association at the annual meeting of the Ontario ploughmen's Association next February. Peter Marlow will represent the association on the Lincoln County Federation of Agriculture.

Other officers elected for 1947 were: Harry Earl, Grimsby first vice president; Howard Fenn, St. Catharines, second vice president; Peter Marlow, Grimsby, sec-

retary-treasurer.

Directors are: Stanley Young, Caistor; Seth Parker, South Grimsby; C. E. Coleman, John Smith, George Wiley, Kenneth Olla, E. F. Neff, Clarence Booth, all of St. Catharines; Morris Siler, Caistor; Chester Lane, St. Anne; Clifford Field, Grimsby; Clayton Thompson, Bramsville; Gordon Packham, Caistor; J. H. Earl, Grimsby; Lorne Marshall, Smithville; Clifford Lane, St. Anne and A. Cosby, Bramsville.

NEW CAR PRICES

Because of higher prices currently being paid for essential imported parts and substantially higher costs of both domestic labour and materials, the Wartime Prices and Trade Board has permitted a ten per cent increase in the consumer price of new Canadian-made passenger automobiles and an increase of seven per cent in the consumer price of new Canadian-made commercial vehicles. The price increase became effective December 15.

The companies who are permitted to make these adjustments in prices are The Ford Motor Company of Canada, General Motors of Canada, and the Chrysler Company of Canada, and the increase in price was allowed following demonstration by the three companies of the effect of higher production costs.

Board officials pointed out that despite these increased production costs, the permitted price increase has been held to a point where the price of domestically produced cars compares very favourably with that of imported cars.

A Canadian who imports a standard model from the United States today would be obliged to pay upwards of two hundred dollars more than for the same Canadian-made car under the new domestic price ceiling, now fixed.

CLASSIFIED ADVERTISEMENTS

Classified advertising rates are Three cents a word. Minimum 40 cents. Names, addresses and telephone numbers do not count. Where classified advertisements come in over the telephone or are otherwise charged we will only bill once. All extra billings will be charged at the rate of 10 cents each billing. We do not guarantee publication of classified ads. received in our office after four p.m. on Wednesday afternoon.

FOR SALE

FOR SALE — Bean sprayer, capacity 120 gallons, 1st class condition, new engine. Apply Geo. M. Ghent, 6 Maple Ave. or phone 250.

FOR SALE — More early chicks are needed. Get your order for Fleming's winter chicks in now. Government banded, pullover-tested flocks. Phone 70, Fleming Farms, Beamsville. 23-3p

Sanitary House Connections	31.46
	\$ 58,765.71

Hallo Homemakers! With everyone talking about the shortage of power, we are taking this opportunity to list suggestions which we strongly recommend putting into practice. Because of the inability to proceed with the development of sufficient new power sites during the war to meet the present high demands for Hydro a critical power shortage now exists in Southern Ontario.

There are numerous ways householders can save electricity. By making each and every means of conservation, we shall keep every home appliance and industrial machine in operation.

Home Lighting
1. Reduce the number of lamps burning in a room which is in use to the minimum necessary for good vision.

2. Do not burn lamps in unused rooms; do not forget to turn out attic, basement, garage lamps and outdoor lighting.

3. Keep lamp shades and fixtures clean; dirty fixtures absorb as much as 1/4 of the light.

Electric Range
1. Use kettles which fit the electric element so that the entire cooking surface is heated quickly.

2. Cook all vegetables in a small amount of rapidly boiling salted water. When the vegetable is added cover with a tight fitting lid and turn the element from High to Medium or Low.

3. When you roast meat, plan an oven dinner which can be cooked at the same time.

4. Use your pressure cooker whenever you can.

Refrigerator

1. Defrost refrigerator regularly every week or 10 days.

2. When storing food, or preparing meals make one "loading" or "unloading" do.

3. Do not use the refrigerator to store foods which should be in the pantry. Take out jams, pickles and canned foods.

4. Be sure and cool hot foods before putting them in the refrigerator.

Water Heating

1. Use hot water sparingly when bathing, doing dishes or laundry; do not use running hot water.

2. Do not leave hot water taps dripping; replace worn-out washers.

Washing Machines

1. Soak soiled clothes in cold water.

2. Fill washing machine with hot water only to the water line.

3. Use warm water for only one rinse; a second and third rinse can be made in cold water.

Other Appliances

1. Do not leave the radio on when no one is listening.

2. Turn iron off before the ironing is completed; it will retain enough heat to finish several articles.

Pressure Cooker Meat Loaf

1 1/2 lbs. round steak, 1/2 lb. sausage meat, 2 eggs beaten, 2 tbsps. chili sauce, 1 tsp. salt, 1 onion, 2 carrots, 1 stalk celery, 1/2 cup bread crumbs, 1 tsp. fat.

Grind meat twice. Add eggs and chili sauce and salt. Chop onion, carrots and celery and add along with crumbs. Heat fat in cooker and having formed meat into a mound, brown it for 3 mins. Add 2 tbsps. water. Cook 15 minutes at pressure.

Fuel-Saving Oven Meal

Fish Souffle: Browned Potatoes, Beans au Gratin and Meringue Cake. Servings for 6. Temperature, 325 degs. Time, 1 hour, 15 mins.

Time-Saving Oven Meal

3 lbs. Roast Beef; Spragetti with Tomatoes, Baked Potatoes and Coconut Apple Betty. Servings for 6. Time: 1 hour, 40 mins. Temperature: 350 degs.

Tripletsaucean Set

Boiled Potatoes, Masked Turnips and Fruit Dimples with cold meat for entree.

TAKE A TIP

1. An oil-silk bowl cover makes an attractive, useful container and wrapper if you are giving the feminine folk aprons, towels or such presents for Christmas.

2. Fruit baskets are easily converted into kindling boxes for Christmas gifts. Paint the outside, and line the inside with heavy tar paper and tack in place.

3. An orange crate papered with waterproof paper makes an ideal receptacle for the children's toys.

TOWEL INFECTION

Warning is issued by industrial health authorities of the Department of National Health and Welfare against danger of spreading infection from common or roller-towels. In a message to workers in industry, the experts deplore indiscriminate use of any old piece of cloth or waste for wiping eyes, nose or face. In plants where disposable towels are not standard issue or factworkers are advised to possible themselves with clean equipment, use of a plentiful supply of handkerchiefs.

Happiness—Good Health—Success

These are our wishes for you at this—the merriest of all seasons!
